

Board Meeting Highlights

January 29, 2016

At the Jan. 28, 2016 Board of Governors meeting held at the Barrie Campus, a presentation on Changing Demographics provided the Board with an overview of the shifting demographics within Ontario and specifically for Georgian College's catchment area.

The Board received the following reports:

- Program Advisory Committee Appointments
- Enrolment Report
- Legislation Compliance Quarterly Report
- Health and Safety Quarterly Report
- Access and Privacy Quarterly Report
- Emergency Response Report
- Board Scorecard
- Colleges Ontario Government Update

Motions were passed by the Board to approve the ancillary fees and tuition fees schedules as presented.

The Board was provided with an overview on Georgian's entrepreneurship outlook. The entrepreneurship portfolio at Georgian is expansive and integrated to ensure common objectives, cross-over of governance, and collaboration on initiatives to deliver a comprehensive offering to students and community-based entrepreneurs.

Colleges Ontario Good Governance certificates were presented to a number of Board Governors who participated in the governance sessions at the recent Higher Education Summit in Toronto.
